## RULES AND INFORMATION

Hello Queen,

Thank you so much for your interest in the second edition of the virtual Miss Queen of the Screen pageant! The Miss Queen of the Screen virtual charity pageant is being hosted to help me in my endeavour to represent Canada at the prestigious Royal International Ms pageant set in Orlando, Florida in July 2021. This virtual pageant will include four categories of judging: Photogenic, Personality, Introduction, and Interview. Each contestant is responsible for sending in the completed application form, a 100-word bio, and a high-quality 8x10 photo of themselves for judging purposes.

Each contestant will be added to a Facebook group for updates and information. Each contestant will receive my custom-made Pageant Mindset Plan, Top 25 Pageant Interview Questions sheet, access to a 30-minute group interview coaching call and a 30 minute group heels class, and the opportunity to receive direct feedback from the judges to help them improve in their pageant preparation. Additionally, this year a delegate will have the opportunity to win a scholarship to compete at the 2021 RIM Canada pageant to be held in Edmonton, Alberta in August 2021. This virtual pageant is meant to be a fun way to practice and enhance your pageant presentation skills!

**Interview:** 40% of the overall score. A 3-minute online interview with a prestigious panel of pageant judges to be held through Google Hangouts on Saturday May 29, 2021 beginning at 12:00 pm EST. Judges are looking for contestant ease and confidence in answering questions, eye contact and non-verbal cues, content and articulation of answers, and the contestant overall look and energy.

### **OPTIONALS**

**RIM Canada Scholarship:** Understandably not all contestants in Miss QOTS may be able to compete at the RIM Canada pageant scheduled in July and August 2021. The winner of this scholarship should be committed to representing their region at the national pageant. The scholarship provided will cover the contestants entrance fee. The contestant who receives the scholarship must understand that they are responsible for the fees associated for their travel and stay at the national pageant. If the delegate wishes to be considered for the scholarship, there will be an additional fee of \$50 and a written submission of 250 words max as to why you are interested in competing at this national pageant. The panel of judges will be selecting the winner of this category based on the delegates overall performance and written submission.

**Miss Fashion Model:** A new optional category this year is the Fashion Model competition. You will submit two videos walking in an evening gown of your choice and a fashionable outfit of your choice. There is a requirement for a minimum of 45 seconds to no more than 60 seconds per video. This allows contestants to showcase own sense of style, personality, and to practice runway walks and stage presence. The evening gown is in the colour of your choice and should reflect your personal style and compliment your personality. A walking pattern will be provided, and the delegate must use this walking pattern in your video. There will be an additional award and prize for the winner of this category. The delegate with the highest scores for both videos submitted will be awarded Miss Fashion Model. To enter in this category is an additional \$50.

### **AWARDS**

There will be awards for Miss Photogenic, Miss Personality, Miss Fashion Model and Miss Queen of the Screen. Each winner will receive a custom-made sash, three of my custom-made coaching templates, a 60-minute pageant coaching session with myself, The Pageant Gal, and a prize package filled with items to make you feel like a queen. Prize package is valued at over \$400 CAD.
